Discount applies to cabin lodging only; RV sites not included. Based on availability at time of booking.

FAQ

Are sparklers or candles permitted?

Open flames and sparklers are not permitted anywhere on the property

Can our dog participate in our event?

Yes, dogs are allowed but we do ask that they stay leashed and that they are not roaming the property freely. Permission for the dog(s) must be included in the contract.

What time does the event have to end?

In order to respect all guests, neighbors, and the peaceful mountain setting we call home, we ask that:

All music ends by 11:00 PM

The event space is fully cleared by 11:30 PM

What happens if it rains?

Depending on the package selected, your event can be hosted in either the tent or the lodge. We highly recommend building flexibility into your timeline in case we need to implement a Plan B due to weather.

Please note: We do not provide refunds for weather-related cancellations.

What is the time frame we will have access to the facility?

For small elopements, setup may begin at 12:00 PM on the day of the event.

For our Wind River Romance and Union Pass Summit packages, setup may begin as early as 8:00 AM on the event day.

If your event involves use of the tent, setup may be allowed the day prior, depending on availability.

We highly recommend maintaining flexibility in your timeline, especially when planning outdoor events, as weather and other factors can impact final arrangements.

FAQ

Do you offer onsite catering?

Yes! Our in-house culinary team, led by Executive Chef Collin, provides custom menu options tailored to your vision and guest count. We offer both buffet-style and plated dinner service.

Please note: If your event is held in the event tent, we offer buffet service only due to logistical limitations.

Can we bring our own food or offsite catering?

Absolutely! You have several options when it comes to food for your event:

- Use our in-house catering: Led by Executive Chef Collin, we offer both buffet-style and plated dinners (buffet only in the tent).
- Bring your own licensed caterer: We welcome outside catering! Just coordinate with us in advance.
- Cook your own food: If you prefer a DIY approach, you're welcome to prepare your own meals. We'll work with you to ensure you have the space and setup needed.

Please note: If you choose outside catering or self-catering, our kitchen and culinary staff will not be available for food preparation or service.

FAQ

What is your alcohol policy?

We are a licensed venue and all alcohol must be served through our on-site bar. Our team offers a range of customizable bar packages—from cash bars to hosted bars—tailored to your event.

Outside alcohol is not permitted due to state licensing laws. This includes beer, wine, and spirits brought by guests or third parties. Parties caught consuming outside alcohol will be asked to leave.

If you have a specific vision for your bar service, we're happy to work with you to create the perfect setup!

Do you allow rehearsal dinners on-site?

Yes, we do! We love helping couples extend their celebration with additional events:

- **Rehearsal Dinners:** Whether you're planning a casual cookout, a buffet, or a formal plated meal, we can host your rehearsal dinner in the lodge, under the tent, or on the lawn—depending on availability. You can choose our in-house catering or bring your own food.
- **Next-Day Brunch:** Say goodbye to your guests with a relaxed brunch the morning after your big day. We offer customizable menus and flexible serving styles to fit your vibe.

Advance planning is recommended for both events to ensure availability and coordination with our team.

Is there a space for the bridal party to get ready?

Yes! Many of our wedding parties choose Cabin 17 as their getting-ready space. It's one of our largest cabins and includes a full kitchen, making it ideal for relaxing, prepping, and enjoying some downtime with your crew before the ceremony. We recommend reserving it early, as it's a popular choice for bridal parties.

FAQ

Is there a service charge or gratuity added to events?

Yes. We include two separate service charges to ensure our entire team is fairly compensated for their role in making your event a success:

- 20% Service Charge on Food & Beverage
- This gratuity is distributed among our kitchen staff, servers, and bartenders who directly support your meal service.
- 5% Service Charge on the Site Fee
- This portion goes to our housekeepers, setup crews, and support personnel who prepare and maintain the property for your event.

These service charges allow us to provide high-quality service while recognizing the efforts of everyone behind the scenes.

What is your cancellation policy?

If you need to cancel your event:

- 90 days or more before the event date: You will receive a 50% refund of your deposit.
- Less than 90 days before the event: Unfortunately, no refund will be given.

This policy helps us account for lost booking opportunities and the time and resources already dedicated to planning your event.

What is your payment policy?

To secure your date and cabin block, a deposit is required at the time of booking. This ensures we can hold your preferred date and accommodations.

Couples are welcome to make additional payments at any time leading up to the event—whatever works best for your budget and planning process.

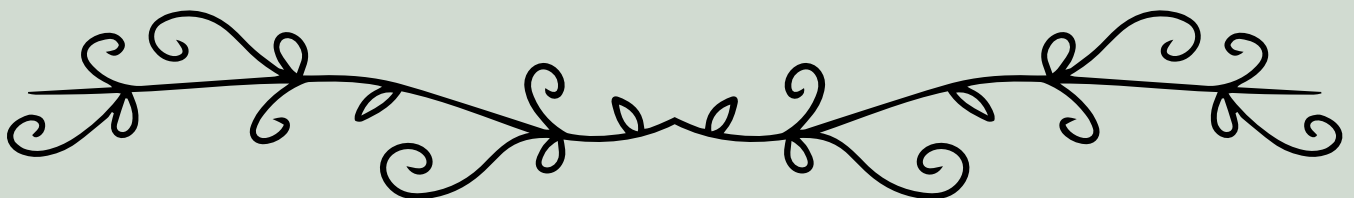

The final balance is due the morning after the event.

FAQ

Do you have a list of preferred or recommended vendors?

Yes, we have some trusted vendor recommendations for photographers, florists, cosmetologists, and more. Because we're located in a rural area, many of these vendors travel from nearby towns and cities to work with us.

We encourage couples to reach out early to coordinate availability and logistics. Of course, you're always welcome to bring in your own vendors as well.
